

1 Opening to global trade?

PARCOURS
DIFFÉRENCIÉS

WAY 1

1 Watch the video and pick out information about Nome:

- Region:
- Population (now and in the 19th century):

2 a. Watch again. Note down the elements that show Nome is a remote place to live in.

.....

.....

b. Tick. This region is becoming the centre of the world's attention because:

- gold has recently been discovered there.
- it is an important trade route in the Northern Hemisphere.
- it is located in both the Atlantic and Pacific Ocean.
- it may become a new trade route and open Alaska up to the world.

3 a. Tick Richard Benneville's function: governor mayor resident trader worker

b. Focus on the stressed words and sum up Mr. Benneville's vision of Nome in the years to come:

.....

.....

c. Explain how climate change may impact Alaska in the years to come. Use the following words:

cause – global trade – melt – open up to – sea ice

.....

.....

.....

WAY 2

1 Watch the video and pick out information about Nome (location, population, history).

.....

.....

2 a. Watch the video again and explain why Nome has long been a remote place to live in.

.....

.....

b. Explain how Nome's location could help the city become the world's centre of attention.

.....

.....

.....

3 Comment on Richard Benneville's vision of Nome: "It's going to be phenomenal".
